5 The loan of the services of one of the employes of the Garden dept. to the Society was sanctd. for the period of one year in G.O. ✓ 10.5.28 (O). The period has, therefore, expired.

6 The Society has already been granted a concession in being exempted from the payment of contribution for pensionary & leave allce. It is a question whether Govt would be justified in giving a further annual contribution of Rs 600 to the Society which is made to stand on its own legs. Perhaps a more detailed account of the Society's organisation & work together with its balance sheet may be called for before coming to a decision as to its practicability.

15 In G.O. of 10.5.28 (Flag O) the services of a Horticultural Inspector were lent to the Horticultural Society for a period of one year, the Society bearing the cost of this Dept at Rs 50 p.m.

In G.O. of 6.9.28 (Flag K) the payment of the pensionary & leave contribution on account of the lent officer by the Society was waived for the period of sanction expired on 10.5.29. The Director now recommends the grant of an amount of Rs 600 annually to the Society to enable it to meet the cost of an Inspector till such time as its financial condition improves. The Director states that this expenditure cannot be met out of the budget of this Dept. and must be sanctioned as an addl. grant. It does not seem possible to grant this request this year at least.

Adverting to Government Pro. No. (D.2828-30/G.G.81-27-5 dated 6th September last) sanctioning the deputation of one of the employees of the Garden Department to the horticultural -- Society for a period of one year, I have the honour to state - that in view of an heavy expenditure on the Society which is - regularly losing about Rs.500/- on every half-yearly Horticultural Show, the Society is finding it very difficult to maintain the Garden Inspector at its own cost.

2) Since most of the Members desired to have a full time Inspector to visit their Gardens and give them advise he was - appointed as per G.O. referred to above. The Society fixed an annual fee of Rs.10/- for each garden which had the benefit of the visit of the Inspector. At present there are only ~~about~~ 26 Members paying Rs.10/- per annum so that a sum of Rs.260/- is realised by the Society where as the cost incurred annually by the Society on account of the Inspector is Rs.600/-. The Council of the Mysore Horticultural Society have passed a -- Resolution that the Government should be requested to reconsider the matter and give an annual grant of Rs.600/- to the Society.

P.T.O.

3) In view of the fact that the Society is doing much useful work in the spreading of Horticulture, I request that Government may be pleased to sanction a grant of Rs.600/- per annum to the Society towards the pay of an Horticultural Inspector till such time that the Society is in a position to meet this charge from its own funds.

I have the honour to be,
Sir,
Your most obedient servant,

Chairman,
Mysore Horticultural Society.

Sir,

With reference to your letter No. D. 770/G.G. 95-28-2 dated 23rd July requesting me to intimate how with an income of Rs.260/- per annum the Society has found it possible so far to pay Rs.50/- per mensem to the Inspector, I have the honour to state that the difference is being met from the subscription -- funds resulting in the decrease of the credit balance of the -- Society. The Society has undertaken to run the half-year -- Horticultural Shows which used to be managed by the Government. This again results in a loss of about Rs.1,000/- per year to the Society. In view of the fact that much useful work is being done by the Society, I request you to be so good as to move Government and obtain orders for the sanction of an annual grant of Rs.600/- to the Society to meet the cost of the Garden Inspector.

I have the honour to be,
Sir,
Your most obedient Servant,

Chairman,
